

STARlight

Wonder Wall

If you've been to FixNation lately, you've seen the beautiful, new night sky mural in our lobby... our "Starlight Wonder Wall." Now you can purchase a star to shine in our sky for that beloved pet or special someone as a token of your forever love.

Stars In Memory of:

In memory of a beloved pet or a passed loved one, what better way to honor their memory than to purchase a star where the proceeds will go to ease the suffering and improve the lives of homeless cats. You would be honoring your loved one's memory with a gift of kindness.

Stars In Celebration of:

Many people today are leading simpler, greener lives that have less impact on Mother Earth. Instead of gifts and material goods, consider purchasing a Star in their name that goes towards making this world a better place. Perfect for the cat lovers in your life, as holiday gifts, to celebrate a wedding or special occasion... or just as a celebration of life!
